CAREER OBJECTIVE

Highly-motivated employee with a desire to take on new challenges. Strong work ethic, adaptability, and exceptional interpersonal skills. Adept at working effectively unsupervised and quickly mastering new skills.

EXPERIENCE

Research Intern. Accrete, Mumbai

Aug 2023 - Sept 2024

- Proficient in utilizing diverse data collection techniques, specializing in web scraping for comprehensive data acquisition
- Conducted thorough data cleaning and validation procedures to guarantee data accuracy and reliability.
- Played a crucial role in training models using a combination of training and test datasets, optimizing the data processing pipeline for heightened efficiency and precision.

PROJECTS

Grocomart - E-commerce Web Application

Nov 2022 - Feb 2023

A dynamic online marketplace built on the Django web framework, Grocomart offers seamless shopping experiences, intuitive product navigation, and secure transaction processing for a wide range of products.

CodePlayground - Problem Solving Platform

Dec 2024 - Jan 2025

An interactive web-based platform built on Django that allows users to practice coding problems with a real-time Python interpreter. The platform provides a seamless environment for solving challenges, testing solutions, and tracking progress.
